

CAPTAIN CUMBIA /// PRESS RELEASE /// MASHUP & REMIX PROJECT

SEXXY SATURDAY CUMBIA – SAME AS IT EVER WAS – 21/01/2012

The free internet also helps me in my job. My job involves finding dope tracks like this one from Captain Cumbia. Over in Paris this dude is mixing cumbia with Balkan flavors which is a growing style I've happily been witnessing. This is a perfect marriage of this approach

SEXXY SATURDAY CUMBIA – ATTACK OF THE BATICHICA – 04/02/2012

The last thing I'm going to leave you with is a new Captain Cumbia edit. Normally I would normally be a little reluctant with posting a remix of Clint Eastwood (because it's played out to me) but Captain Cumbia reignited my love for it. This is a really deep and cool remix and edit. It's full of nice surprises. You've got to listen to it!

SEXXY SATURDAY CUMBIA – SUMMER OF THE BLACK SNAKE - 31/03/2012

Though this is not always the case for me because I do have the privilege to speak to many weekly. One of my favorites to listen to and even speak with is the hard-working Captain Cumbia in Paris. While not setting up shows for him and others he finds the time to produce some of the best cumbia edits and remixes one can find on the streams. Mashing up the great legendary producers Sly and Robbie with western movie themes to the back drop of a cumbia rhythm as the heartbeat, here is Captain Cumbia's newest product.

SEXXY SATURDAY CUMBIA – CUMBIA PARTIES AND WWIII – 14/04/2012

As for the parties well they're going strong in Paris due to the hard relentless work of Captain Cumbia and Pedrolito RadioGlobal at Taxi Brousse Productions. These two always keep me up to date with what's happening in the Paris scene and I'm grateful for it. (...)The loco that is Captain Cumbia produces some of the craziest music I've ever heard. He never stops and everyone loves it. Here is a taste of his beautiful insanity.

SEXXY SATURDAY CUMBIA – CUMBIA WITHOUT BORDERS – 19/05/2012

Man this Captain Cumbia vs Pedrolito soundclash competition keeps going strong. There are two weeks left of it, I don't know what the winning prize is but they're both committed to getting it. This is an awesome one from Captain Cumbia mashing Beastie Boys with OMFO. Captain Cumbia is officially (officially because I say so) the cumbia mashup master.

ST. PATRICK'S DAY CUMBIA - 16/03/2012

.....

Could it be done? A St. Patrick's Day cumbia? Well of course that's what Nu Cumbia Experience is all about. Anything is possible in the world of nu cumbia. That said I never imagined or even thought of remixing the St. Patrick's Day holiday however someone did. None other than the great captain Captain Cumbia ! I was about to jump right into the spring season but I must hold back. Not only is my fair city cooling way down (upper 50 degrees Fahrenheit which is a great deal for us) but the intense drinking holiday is upon us. St. Patrick's Day is odd over here due to the weather transition when I'm in constant battle with my central heating system in my home (turn it on, turn it off, adjust the temp, cold at night, hot in the day). This is the time of transition when all are beginning to pick up the slack in their local gyms trying to fight off the extra pounds for the coming summer months. Let us take a moment now to drink to our hearts content (or until we pass out) with the new Captain Cumbia remix. The remix is also relevant to the transitioning season. It's Irish Cumbia Dancehall !

El maestrísimo Captain Cumbia, del cual ya habíamos hablado en alguna ocasión en nuestro bloque cumbiero, desde París nos cuenta más clarito quien es y en que proyectos anda: “Captain Cumbia es Dj, músico y productor. El Tropikal Desperados de Paris. Es un especialista de la Cumbia bajo todas sus formas. En su laboratorio cumbiero se divierte mezclando, remezclando y mashupeando estilos como la chicha peruana, la cumbia colombiana, mexicana, villera (de Argentina) con otros estilos, como la música klezmer, balkanica, ethio groove, hip hop, ragga, etc. En vivo, propone un Dj set a medio camino a el “live”, acompañado de su micrófono, su melódica y su güiro y la selecta de sus remixes, creaciones originales y tracks tradicionales de la cumbia mundial.

Actualmente se encuentra trabajando en el estudio de grabación, preparando el que será su nuevo álbum con su Eastern Orkestra (teclado, clarinete, guitarra, bajo y batería).

Aquí debajo de la imagen gráfica de Captain Cumbia les compartimos un .zip con varios de sus tracks, y algunas piezas en soundcloud para que puedan escuchar desde ya.

Desde París Captain Cumbia nos envía su cumbia mashup de “Clint Eastwood” de Gorillaz. Temazo que en esta versión raspada se vuelve un dan 8 del baile.

Captain Cumbia remix BUJU BANTON vs FAREWELL TO ERIN [Go Home Sound Boy] "Soundclash Edit"

Hónapok óta tartozunk nektek a párizsi Captain Cumbia cuccaival, aki ontja a cumbia-ízesítésű hiphop és dancehall remixeket, és gyakran tenyerel bele a jóféle balcumbia-ügyekbe is. Íme egy friss cucca, ír-balkán-cumbia-dancehall a merészeknek, a letöltést is megpróbáljuk elhozni nektek majd. Itt mindenesetre sok-sok számba belefűlhetnek és le is húzhatjátok őket.
